### Behold—An Advertisement!

I came into being as the unspoken language came; slowly, gradually, and to meet an urgent need. I have been worked for evil, but mostly I have worked for good. I can still be worked for evil, but each day it grows more difficult to do.

I am at once a tool and a living force. If you use me wisely, I am a tool in your employ. If you misuse me, my double edge will injure or destroy you. If you do not use me I am a force that works ever against your accomplishment of the aims and purposes that animate your business.

I speak a thousand tongues and have a million voices. I am the ambassador of civilization, the handmaiden of science, and the father of invention. I have peopled the prairies, and with my aid commerce has laid twin trails of gleaming steel in a gridiron across the continent, and stretched a network of copper into the far corners of the globe.

I am the friend of humanity—for I have filled the commoner's life with a hundred comforts denied the king of yesterday. I have brought clean food, healthful warmth, music, convenience and comfort into a hundred million homes.

I laugh at tariffs and remake laws.

I have scaled the walls of the farmers' isolation and linked him to the world of outer interests. I build great factories and people them with happy men and women who love the labor I create. I have made merchant princes out of corner shopkeepers, and piled the wealth of a Monte Cristo into the laps of those who know my power.

I am a bridge that cancels distance and brings the whole world to your doors, ready and eager to buy your wares. I find new markets and gather the goods of the world into a handful of printed pages.

I am either the friend or the foe of Competition—so he who finds me first is both lucky and wise.

Where it cost cents to hire me yesterday, it costs quarters today and will cost dollars tomorrow. But whosoever uses me had best have sense, for I repay ignorance with loss and wisdom with the wealth of a Croesus.

I spell service, economy, abundance and opportunity, for I am the one and only universal alphabet. I live in every spoken word and printed line—in every thought that moves man to action and every deed that displays character.
